AFX®

Apex LED Overbed
APB Series

ADA

Features

White patterned linen white or jute acrylic front panel provides a soft glow accent to this contemporary wall mount senior care overbed light.
The Apex provides both ambient and task light with a four way pull switch, standard (120 volt only). Top diffuser and bottom diffuser are frosted white acrylic.

Construction

The light wiring channel is formed from 22-gauge steel. An internal divider provides separate lamp compartments for controlled up light and down light. Double laminated fabric material with solid wood trim. Fixture can mount horizontally only. Power connections can be made in the fixture wiring channel or in a standard junction box (not included).

Weathered Grey/Jute

Finish

Solid wood accent available in Espresso or Weathered Grey finish.

Diffuser

LumaFuse™ double laminated fabric/acrylic. 0.110" thick fabric is available in Jute or Linen White. Standard top and bottom diffuser.

Espresso/
Linen White
