Semi-Flush

Inspired by the French countryside, Suzette is a romantic updated classic. Ready for a variety of interior applications, this lovely collection features refined traditional silhouettes. Flowing metalwork and slim candelabras create an appealing airy look that is casually elegant. The Natural Black finish is lightly textured for an authentically aged look. The versatile black finish perfectly contrasts the beautiful, weathered aged white wood accents. This semi-flush creates a soft glow for task lighting in an intimate kitchen, dining room, nook or entry.
