Tailored & Timeless.
300+ New Intros
A collection for everyone.

Tailored & Timeless

A variety of tastes. A curated space. Our SS24 collection is a direct reflection of you— for you. Thoughtfully designed and meticulously crafted, it stands at the intersection of inspiration and empathy, listening to the broader culture to create our shared design narrative. With over 300 new intros, it's about coming together while celebrating individuality— fusing styles, textures, and forms.

MOE'S

The natural stone matrix dances across a marble top softened by a five-sided base with rounded edges– form and materiality in harmony.

“Vintage-inspired, Amelia is offered in 3 velvety soft finishes - Warm White, Chestnut, and Espresso. A personal favourite, the Espresso finish is a rich, deep brown. Embracing an enduring color, we wanted to give a sense of warmth and depth in a neutral.”

– Alison Miller, Product Development
