⚠ WARNINGS AND CAUTIONS

- Prepare everything in a clear area
- Read instructions carefully before you start assembly
- Keep this installation sheet for future reference

Please Note:

- This Alora LED fixture comes with pre-wired LED module(s)
- Unless instructed, Do Not touch any part of the LED module(s) as any unnecessary contact with the module could cause permanent damage
- 3-Step Touch Switch Dimmer
- Please refer to the local regulation regarding proper disposal of batteries

NOTICE

- The important safeguards and instructions outlined in this sheet cannot cover all possible conditions and situations that may occur. It must be understood that caution and certain care factors must be followed. These instructions are provided for your safety and we highly recommend that a licensed, trained electrician install this unit.

ASSEMBLY INSTRUCTIONS

Step 1

Remove fixture from its original package.

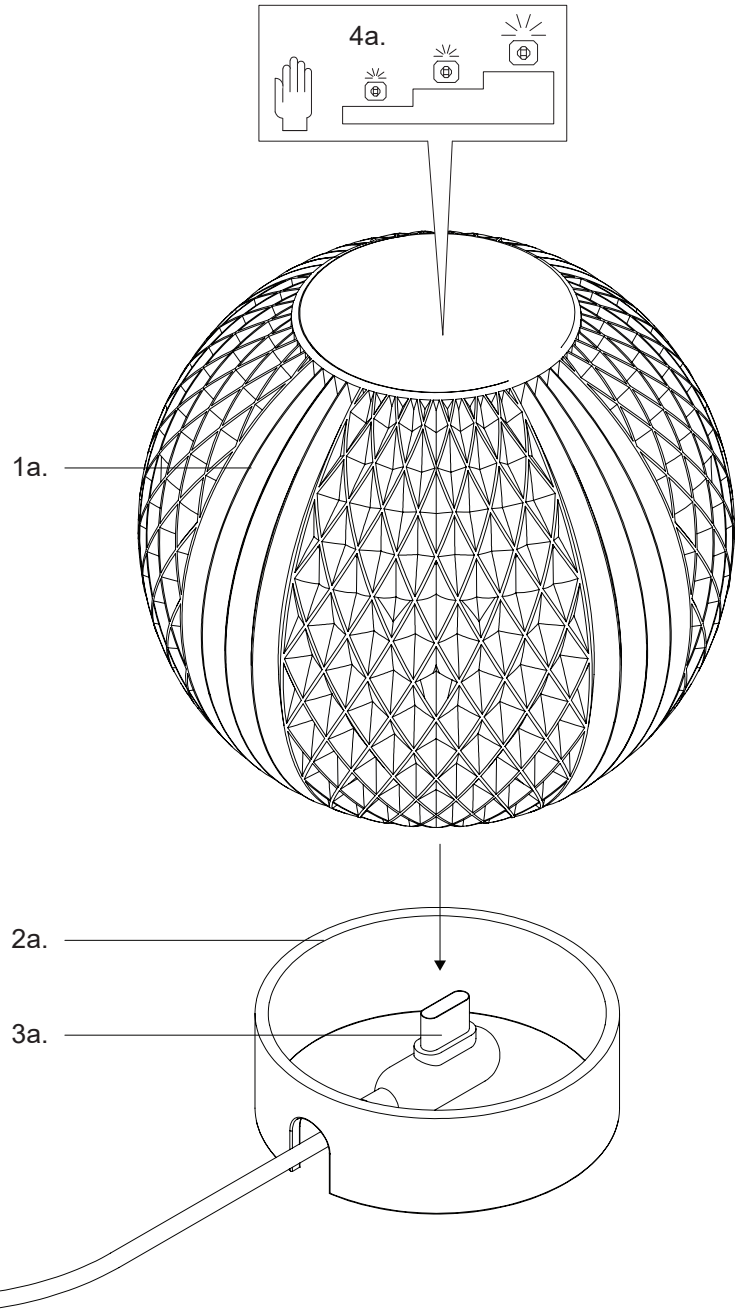

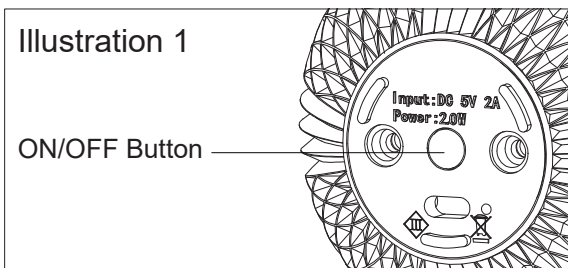

Step 2

Touch bottom of fixture (1a) to turn on/off (See Illustration 1). Touch top of fixture (1a) to dim up or dim down the light (4a).

Step 3

For charging: Insert type C charger (3a) through bottom of base (2a). Attach fixture (1a) to charger (3a) and rest on base (2a). Attach USB end to USB power plug (not included) and insert into outlet.

You are now ready to enjoy your fixture.
