

A technical line drawing of a chandelier. It features a central vertical stem with a decorative top cap. The stem is supported by a base with a conical bottom. Two horizontal arms extend from the stem, each holding a candle-style light fixture with a flame. The drawing includes three dimension lines: a vertical line on the left indicating the total height, a horizontal line at the bottom indicating the diameter of the base, and a vertical line on the right indicating the height of the light fixtures.
