Incandescent

P3852-20

Clifton Heights

Distinctive, chiseled features and crisp, clean lines are key features in this flush mount. Inspired by a modern interpretation of Craftsman styling, a beautiful etched glass shade takes center stage in this design. The contrast of the antique bronze frame with the bright white shade delivers a dramatic, yet refined effect.

- Inspired by a modern interpretation of Craftsman styling, a beautiful etched glass shade takes center stage in this design.
- The contrast of the antique bronze frame with the bright white shade delivers a dramatic, yet refined effect.
- Distinctive, chiseled features and crisp, clean lines are key features in this flush mount.
- Ideal for any hall, foyer, stairway, or kitchen.
- Perfect for transitional or Craftsman settings.
- Measures 15-inch width by 7-1/8-inch height.
- Uses two medium base bulbs that are sold separately (100w max - LED, halogen, or incandescent).
- Able to be fully dimmable with dimmable bulbs.
- Includes installation instructions and mounting hardware.
- Progress Lighting products are designed for exceptional quality, reliability, and functionality.
