## BLING Canopy, Track SW G9

**DESCRIPTION**

Bruck's European and American Artisan, mouth-blown glass is known throughout the world for its quality and beauty. Several light source options, mounting options, colors and finishes allow for a unique design. Most of Bruck's mini-pendant glass allows for easy screw-on/screw-off for a simple installation or design change. Pendant L70 is 145,000 hours of operation.

**HOUSING**

The hardware is offered in matte chrome, bronze or chrome finish and seconds as the pendant thermal heatsink.

**MOUNTING**

- The pendant can be mounted from Bruck's field adjustable canopy. The standard overall cable length of 59" can be field-cut or specified when ordering. Overall cable length is measured and begins from top of canopy. See the decorative Junction Box Cover for open ceiling applications.
- Optional track mounting: Global Trac Systems, GEO track, ECO track / Halo® Power track, and Zonyx track. Overall cable length begins at the shoulder of the ECO/GEO adapter and the track center of the Zonyx adapter. Cable length measurement ends at the top of glass or to the mounting arms.
- Kevlar coated cable for easy cleaning, short circuit protection, no discoloration and fraying over time.

**LISTINGS**

- Listed to UL1598 and UL1574 (Suitable for dry locations only)
- Listed to CSA C22.2 #250.0 and #9.0
